2:00 p.m. to 3:00 p.m.
Mountaintop Building C Tour
Formerly one of the Homer Research Labs for the Bethlehem Steel Corporation, Building C has, since 2012, been Lehigh’s hub for open innovation, projects, design, and fabrication as well as home to the departments of art, architecture, and design and computer science and engineering. The Mountaintop Summer Experience, a 10-week program run by Lehigh’s Office of Creative Inquiry, will be well underway with 150+ students and faculty working on 40+ open-ended, collaborative projects with potential for real-world impact. We will tour through these projects as well as the shops, makerspaces, and collaborative learning environments installed throughout the building.

2:00 p.m. to 3:30 p.m.
Meet the Colleges
Learn about the future of Lehigh's colleges, featuring a panel discussion with representatives from the colleges of Arts and Sciences, Business, Education, Engineering, and Health. Join us afterward for an informal reception where you can share your thoughts and questions with panelists.

2:00 p.m. to 4:00 p.m.
ROTC Open House
Venture up to Mountaintop Campus to visit one of the oldest organizations in the country! The Lehigh Steel Battalion ROTC program has been hosted by Lehigh University for over 100 years. We invite you to visit the department of military science and leadership, where history graces our hallways and where today’s cadets become tomorrow’s leaders in the United States Army.

2:00 p.m. to 4:00 p.m.
Lehigh Department of Mathematics Reunion Weekend Open House

RELIVE. DISCOVER. REUNION. Your reunion is a time of celebration. Let it also serve as inspiration to give back to the Lehigh community that impacted you. When you make a gift to the Lehigh Fund, you provide deserving students with access to a Lehigh education that translates into unlimited possibilities, countless opportunities, and a bright future.

The Lehigh Fund is a top initiative of GO: The Campaign for Lehigh, ensuring the most talented students always have a place at Lehigh.

You can support today’s Lehigh students by visiting give.lu/reunion2023 or by calling (866) 758-ALUM. If you have questions, please contact Joanna Patrick, Associate Director of Reunion and Affinity Giving at jbp218@lehigh.edu or (610) 758-2838.

All gifts are counted in the campaign, as well as in your class giving total.

National Museum of Industrial History
602 E. Second St., Bethlehem, PA 18015 (610) 694-6644

Robert Fulton: Industrious Revolutionary
(Friday, Saturday, Sunday)
10:00 a.m. - 5:00 p.m.

Immerse yourself in the imaginative world of Robert Fulton! Take an up-close look at painted miniatures, power a steam engine and explore how they propel ships forward. Learn how a submarine works through experiencing a traditional Cartesian diver. Hear first person narratives on the dock at the launch of the 1807 Clermont steamboat! Flip through Fulton’s personal papers and get inside the mind of this Industrious Revolutionary.

The Corliss Comes Alive
(Saturday and Sunday)
11:30 a.m. - 2:30 p.m.

For more than a decade the museum’s staff, volunteers, and community partners worked to restore our massive 115-ton Corliss steam engine to working order, 105 years after being built by the Snow Steam Pump Works in Buffalo, N.Y. Today the engine, the most powerful operating water works steam engine in North America, is a focal point of the museum’s 13,000 square foot exhibit space, where it has painstakingly been mechanically restored to its former glory and repainted its original color. Join the staff to operate the engine and learn more about this fascinating piece of industrial history from the museum’s historian.
