

Brooklyn Law School
ESTABLISHED 1901

Visitor COVID-19 Vaccination Policies and Guidelines

- Only fully vaccinated and boosted guests may visit campus. Non-BLS faculty, students, and staff will have to provide identification, proof of COVID-19 vaccination and booster to the security guard on duty in order to attend the event.
- Guests traveling from outside of the United States are required to submit proof of COVID-19 vaccination in advance of making travel arrangements.
 - As there are variations of the vaccine internationally, visitors from outside of the U.S. must submit their proof of COVID-19 vaccine **and** booster to the BLS Covid Coordinator via email at covidcoordinator@brooklaw.edu at least *10 days* prior to visiting Brooklyn Law School for pre-approval. You must attach a photo or scan of your vaccination card to the email and indicate the name of the program you will be attending, date and time of program, your affiliation/institution, country you are travelling from/received your vaccine. Once your information has been reviewed, we will contact you and let you know if you are approved to attend the event.
- Mask use is mandatory in elevators but optional elsewhere. Mask use is welcome everywhere at BLS, particularly when distance cannot be maintained and strongly encouraged indoors when not eating or drinking. Our campus is a “mask-friendly” environment.
- Guests must sign in at the event venue and provide their contact information for contact tracing purposes.

If you are experiencing any symptoms associated with Covid, please plan on not attending this event in-person.

These requirements are based on the latest CDC guidance and are subject to change before the date of the event. For more information or questions about our COVID-19 protocols or if you test positive for COVID-19 within ten days after the event, please reach out to the BLS Covid Coordinator at covidcoordinator@brooklaw.edu

Thank you for helping keep our community safe!
