2020-2021 ANNUAL REPORT

## SPONSORS DONATIONS ENSURE BRIGHTER 2021-22

The COVID-19 pandemic halted all in-person recruiting activities through June 1, 2021, but thanks to the generosity of our Athletic

Sponsors, Big Green coaches had the funding needed to get right back on the road and navigate the evolving recruiting landscape.

With dramatically reduced expenses last year (details on page 2) the money raised is being used to address critical short and long-term recruiting needs. This year we were able to invest **\$206,905** into the Sponsors endowment which will support our future. The remaining balance of **\$200,000** is carrying over to help fund our immediate needs. The biggest challenges facing our coaches right now are:

- **Rising costs of all travel.**
- **Backlog of recruits** who they need to bring to campus and evaluate on the road.
- The current campus COVID restrictions **that require recruits to be housed in hotels instead of in the dorms.**

Official visits for current high school juniors and seniors are now under way and we'll be relying on our Athletic Sponsors to once again give our coaches the recruiting edge!

10 Years of Total Giving to the Sponsor Program

During 2020-21, our members contributed **\$418,732** in support of the recruiting efforts of our coaches – an incredible feat during this unprecedented time. With the Class of 2025 already committed when recruiting commenced, our coaches immediately utilized these resources to

engage the next class of elite Dartmouth student-athletes.

## SPONSORS FUEL UPGRADED FLEET OF RECRUITING CARS

Bringing high-impact recruits to Hanover and subsidizing our coaches' recruiting travel are cornerstones of the Sponsor program, but our coaches also rely on the Sponsors to fund a fleet of recruiting cars used for regional travel. With more than 130 Sponsored athletes hailing from New England, New York and New Jersey over the past three years, our ability to evaluate these prospects in person, and often on short notice, is critical for our success.

Thanks to the generosity of our Sponsors, the coaches will soon

have access to four new Toyota Rav4 hybrid vehicles. These are being added to the existing fleet of four Toyota Camrys (also hybrids).

The new Rav4's feature all-wheel drive and will allow more coaches to safely hit the road in their search for the next elite student-athletes.
