RENEWAL PRAYER

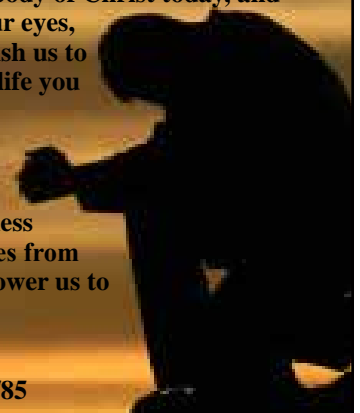

Father God, in the name of your son Jesus we ask that you open our spirits, minds, and hearts and release in us the power of your Holy Spirit which you gave us as a gift at our Baptism.

Renew and allow us to experience ever more deeply the power of your Spirit who enables us to live fully the life of Christ daily in all aspects of our lives.

Free us to receive and grow each day in those gifts you have given us to build up the body of Christ today, and realize we are your hands, your eyes, and your voice to those you wish us to meet and invite to receive the life you have to offer.

May those around us see in us and desire also to experience this same life, and by our witness hunger and be filled with riches from you we have been given. Empower us to serve you in serving others.
