In 2016, Purdue alumnus Venu Srinivasan, chairman and managing director of TVS Motors, created the Indian Emerging Scholar Fund in order to attract high-achieving prospective undergraduate students from India to Purdue.

The selection process is overseen by the dean of international programs at Purdue. The Indian Emerging Scholar Fund currently offers a limited number of one-time scholarships. Scholarship offers are made in March and awardees have until May 1 to accept offers. Scholarships are awarded in rupees in August to an Indian bank account after the awardee arrives on campus and commences his/her first semester at Purdue.

If you would like to make a contribution to the fund, please visit www.purduealumni.org/indiascholar for more details.
