The Anniversary Campaign  
for Grove City College

An exciting chapter in our  
extraordinary journey begins.

Grove City College shapes the world  
by developing leaders of the  
highest purpose and principles who  
serve the greater good.

Our success as a Christian liberal arts  
college and champion of freedom  
for nearly a century and a half  
is a milestone to embrace.

By God's grace, **Impact 150:  
The Anniversary Campaign for  
Grove City College** will advance  
our vital mission for generations.

Together, with the help of alumni  
and friends, we can make an  
impact with lasting purpose.

GROVE CITY  
COLLEGE

# Our Vision

A multi-use, state-of-the-art fieldhouse on lower campus ensures that the growing number of varsity athletes attracted to the College's distinct Christ-centered athletic culture are equipped to compete at their highest level, alleviates overcrowding the fitness center shared by all students, enables women's lacrosse to have a dedicated locker room in the Phillips Fieldhouse, and provides a new home to the increasingly indomitable football, men's lacrosse, and men's and women's tennis teams.

Strategically located adjacent to Robert E. Thorn Field, the facility will imbue the campus community experience with fellowship and hospitality as a welcoming gateway to visitors on game days and special events.

**Goal: \$26M**

ARCHITECT: The Collaborative. CONTRACTOR: Pending. PROJECT START: Pending. Conceptual renderings, not final.

## Elevating Excellence. A New Lower Campus Fieldhouse.

### FUELING PERFORMANCE: GRATEFUL CHAMPIONS OF FAITH, FORMATION, AND THE GAME

Grove City College's varsity athletics program is where intellectual rigor, Christ-centered team building, and extraordinary coaching meet—in and out of competition. Today, more than a quarter of the student body participates in one of the College's 24 NCAA Division III sports teams, an all-time record.

The fieldhouse on lower campus supports the goals and objectives in the College's strategic plan to strengthen community life, which include: expanding facilities for varsity athletics, supporting teams competing on lower campus—football, and men's and women's lacrosse and tennis—and addressing inadequacies of the Physical Learning Center in its capacity to serve the entire student body.

### A TIMELESS VALUE

In everything we do, from classrooms to residence halls, from performance stages to sports venues, we are devoted wholeheartedly to the highest standards of excellence. "...[D]o all to the glory of God" (1 Cor. 10:31).

## Timely Improvements. Welcoming Advantages.

Providing a dedicated destination for all varsity athletes alleviates overcrowding and improves access to the main Physical Learning Center (PLC) on upper campus, which houses the fitness facility used by the entire student body.

The lower campus fieldhouse features an attractive outdoor plaza overlooking Thorn Field, creating a wonderful space for hospitality and fellowship to welcome fans and the Grove City community on game day and special events.

### EXCELLENCE IN ALL THINGS

A lower campus fieldhouse provides a home for football, men’s lacrosse, and men’s and women’s tennis and gives all varsity athletes a facility worthy of the excellence they represent. Key features include:

- \* Light-filled, multi-purpose **training spaces**
- \* **Locker rooms** for football, men’s lacrosse, and men’s and women’s tennis, coaching offices, and conference spaces
- \* On-site technologies essential for **athletic skill-building** and competitive strategies
- \* **Year-round access** to large, well-equipped strength training and conditioning facilities
- \* State-of-the-art **sports medicine rooms and team meeting spaces**

### POISED TO LEAD

Under the leadership of Head Football Coach Andrew DiDonato '10, Head Men’s Lacrosse Coach Alec Jernstedt, and a host of dedicated coaches, these teams have had successful seasons and strong recruiting classes. Building momentum since 2018, they are poised to pull ahead of the competition.
