Entrepreneurship vs Investing in Entrepreneurship

Dr. Navin is an anesthesiologist who has been practicing for over 12 years in a large hospital and ambulatory-based practice. He is a co-founder of SmileMD, a mobile anesthesia company that is providing more access to care to many kids and adults. Navin is also the co-founder of LOUD Capital. LOUD Capital is an early stage venture and private economic development firm that invests and help grows impactful businesses. They are under 4 years old and now have offices in Chicago, Atlanta, NYC, and Beijing. They have invested in over 30 companies in multiple industries and spend a lot of time educating people on venture capital and entrepreneurship. He brings his leadership abilities with optimism, passion, and is always seeking opportunities with win-win scenarios. His family, his yoga, and his outlook on life is what amplifies him.
