

# MAY TERM challenge

For this challenge, choose from a variety of May Term-inspired activities to stay active and enjoy the weather during everyone's favorite term! How you fill out your sheet is up to you: do a classic "bingo" with five squares in a row, fill in all around the edges, go for a blackout, or just do the activities you want to. Be sure to share in the Facebook group. We look forward to seeing all the different ways that Knights will complete this challenge!

Take a bike ride
