Do I need to register for Reunion to attend the Class of 1974 Dinners?

No, you can register for the Dinners only. However, you may want to purchase a button in order to attend Reunion activities like the arts quad tent parties and to use the buses on campus. You can purchase a Button during reunion at Sheldon court or any of our Reunion information centers, listed on the universities FAQ sheet.

Can I walk-in to the '74 dinners?

To be guaranteed a spot you must pre-register by May 31. After May 31st, you would have to check with Bob Baldini at bbaldini34@gmail.com to see if you can be accommodated.

I want to attend the class of '74 dinner but another group that I am registered with is having dinner as part of their Reunion activities. Can I be reimbursed for that dinner?

Please register for the 65th Birthday party and contact the registration chair and explain that you will not be attending the dinner on Friday or Saturday and would like to request a partial refund on your Reunion registration fee.
