

IMPROVE QUALITY OF LIFE IN STILLWATER

ABOUT THE PROJECT

The Faculty and Staff Special Committee was created as a joint effort between the Faculty Council and the Staff Council OSU. The Special Committee was charged with collecting information about Quality of Life in Stillwater in an effort to identify ways to increase retention and recruitment of faculty and staff at OSU Stillwater. We are excited to hear your thoughts and suggestions surrounding this topic. Community members are welcome to participate.

THREE WAYS TO PARTICIPATE

We put together three opportunities for you to participate in our project. More information about each option is provided below.

We hope you will take a moment to drop comments in the comment box or participate in our listening sessions. Your perspectives are valuable and we hope you will share them with us.
