## Mission Statement

Molloy University, an independent, Catholic University, rooted in the Dominican tradition of study, spirituality, service, and community, is committed to academic excellence with respect for each person. Through transformative education, Molloy promotes a lifelong search for truth and the development of ethical leadership.

March 6, 2024

Dear Students, Alumni, Families, and  
Friends of Molloy University,

Thank you for joining us at our annual Legacy  
for Learning Scholarship dinner, honoring our  
student scholars and generous scholarship  
originators and donors.

Tonight is not only about acknowledging the profound impact of  
scholarships on our students and mission but being inspired by “why”  
our donors continue to invest in us.

I would like to thank our donors who have joined us this evening. Your  
financial support makes a critical difference. Annually, 200 students  
benefit from your generosity. This year, Molloy University offered 114  
endowed scholarships and 58 annually funded scholarships. Of those  
scholarships, 71 scholarships directly support students with financial  
need.

To our scholars, we know that scholarships are critical in supporting  
your academic journey and assist in navigating those challenges that  
may interfere with your education. I wish you continued success in your  
studies and know that you will make a positive impact in your work and  
community well into the future.

Thank you for joining us this evening.

Sincerely,
